

## About Us

India is one of the biggest markets for scrapping of Old Vessels. Alang being the largest ship breaking yard in Asia is near Bhavnagar.

We are also headquartered in Bhavnagar, Gujarat, India. That opens up a huge market for both used and un-used Ship machinery spares and parts including Navigation, Automation items, etc. We make sure that we collect the best of the lot and make it available to our customers

*Think*
